

YASH VIDYA NIKETAN
(C.B.S.E.)

Grade :- VIII

ACADEMIC YEAR : - 2021-22

Subject :MATHS

Sr. No.	Month	Chapter No	Chapter's Name	No of periods	Subject Enrichment Activity
P.T- I					
1	June	01	Rational Numbers	09	Make a Colourful representation of all the properties of rational numbers
2		02	Linear Equation in One Variables	09	-
3	July	03	Understanding Quadrilaterals	09	Practical : To verify whether opposite sides of parallelogram are equal
4		04	Practical Geometry	07	Ppt and videos
P.T.-I + S.A.I					
5	August	05	Data Handling	07	Practical : With the help of MS.Excel try to represent the following data in graphical representation.
6	September	06	Square and Square Roots	09	Make a triangular representation to find the square roots of consecutive numbers.
7		07	Cube and Cube Roots	09	-
8		08	Comparing Quantities	10	Making of invoices.

P.T- II					
1	November	09	Algebraic Expressions and Identities	09	Make a colourful representation of all standard identities
2		10	Visualising Solid Shapes	03	Maths Lab activity
3	December	11	Mensuration	12	-
4	January	12	Exponents and Powers	09	Block activity
P.T- II + S.A-II					
5	Feburary	13	Direct and Inverse Proportions	12	Activity related to clock
6		14	Factorisations	10	-
7	March	15	Introduction to Graphs	09	Graphical representation with the help of online tool
8		16	Playing with Numbers	05	Game method

*30% of S.A. – I: Square and Square Roots
 Linear Equation With one Variable
